**OBJECTION TO GOVERNOR SNYDER AND THE EMERGENCY
MANAGER, KEVYN ORR PLAN OF ADJUSTMENT AND ANY
AMENDMENTS AND CONFIRMATION OF THE PLAN**

We/I OBJECT TO THE PLAN OF ADJUSTMENT AND ANY AMENDMENTS
CONFIRMATION OF THE PLAN, THE NOTICE WAS AFTER THE FACT, UN-
TIMELY, CONTRARY TO THE FACTS, MISREPRESENTATION OF THE BANK-
RUPT CODE AND RULES AND HAS NOT BEEN PRESENTED AND CON-
DUCTED IN A GOOD FAITH MANNER.

We object because the court lack jurisdiction which has never been properly
addressed in our previous objections. If the court did legally have jurisdiction to the

Plan of Adjustment and any Amendments or confirmation to the plans of Adjustments we object for the following reason:

- 1) Governor Snyder took an oath under Article X1 Section 1 of the Michigan State Constitution to uphold and support the Michigan and Federal Constitutions.
- 2) The Governor Rick Snyder signed contract/agreement with the Emergency, Kevyn Orr to run the City of Detroit. The Governor under his oath of office and law order the emergency manager or a private contractor to Arbitrary and Capriciously shut-off water of citizens without even a warning and any legal notice or hearing and clearly a violation of the Supreme Court decision in Goldberg v Kelly 397 U.S. 254 90 S Ct 1011, 252 citing "The fundamental requisite of due process is the opportunity to be heard." Grannis v Ordean, 234 U.S. 385 394 (1914). This is a fundamental due process of law violation of 1st 5th and 14th Amendments Right of the Constitution of the United State.
- 3) That the voting ballots were bias and kind of confusing because the way it was worded you only could vote yes. For example if you vote yes to accept the plan we will take or you will give up 20%. If you vote no to reject the plan we will take or you will give up 27%. Plus you give up your constitutional right to redress the government for grievances or plainly put it, the right to suit. Not to mention you give up your constitutional guarantee right of Article 9 section 24 of the Michigan State

Constitution that protected your pensions. The way that it was worded you could not say no you didn't want the plan at all. In other words there was no "No" vote.

This is simply was "extortion" and "rigging the voting process through the voting ballots" and contrary to the Michigan Election Laws MCL 168.485 that states:

Any question submitted to the electors of this state or the electors of any subdivision of this state shall, to the extent that it will not confuse the electorate, be worded in the following manner: A "yes" vote will be a vote in favor of the subject matter of the proposal or issue and a "no" vote will be a vote against the subject matter of the proposal or issue. Question shall be worded so as to apprise the voters of the subject matter of the proposal or issue, but need not be legally precise. The language used shall create no prejudice for or against the issue or proposal.

3) The voting ballots was not a legal official form 14 ballot and fraudulent, due to the signatures was on a separate page from the voting box and could be easily manipulated and was not conducted to preserve the purity of the election process.

a) The Plan of Adjustment has been Amended five or six times and none of those plans have been voted on except the fourth Plan of Adjustment, which is null and void. Once you Amended the plan it supersedes any previous plan or plans and they are invalid and have no legal affect and no longer legally binding, only the last plan would be legally binding. There has been no vote on the fifth or sixth plan of adjustment, therefore, no legal confirmation can exist without a vote. The only

proper and legal way to rectify or correct the plan is to dismiss the case and start over.

This is a procedure due process of law violation of Article 1 Sections 2 and 17 of the Michigan State Constitution and the 5th and 14th Amendment of the United State Constitution. If the court was to approve the plan of adjustment under these circumstance without a vote the confirmation would be invalid.

When an state official violates its own law the court has rule this is an "state action." The action of Governor Rick Snyder on the behalf of the state is the chief administrative officer of the State of Michigan, in the execution of his duty and the law constitute "state action," within the purview of the Fourteenth Amendment.

That Amendment govern any action of the state, "whether through its legislature, through its courts or its executive or administrative officers." *Mooney v Holohan* 294 U.S. 103, 112-113, (1934) citing *Carter v. Texas* 177 U.S. 442, 447; *Roger v Alabama*, 192 U.S. 226, 233, 234.
